

SMOKE-FREE APARTMENTS AND MULTI-UNIT HOUSING

Rm 127 tomorrow at Merritt College; starts at 11 a.m.

We'll start with a presentation overview and introductions by Tobacco-less Club president Marlene Hurd and Alameda County Tobacco Control Ms. Tamiko Johnson. Then move to icebreaker, PowerPoint; "Access to Smoke-Free Housing: A Social Justice Issue," along with a discussion on second and third-hand smoke by Pauline (CHEI). Then we'll finish up with presentation elements and collecting survey data, as well as a list of tabling events in Oakland.

The training is a project of the Community Health Education Institute (CHEI), which is funded by Alameda County Health Care Services Agency, Public Health Dept. Tobacco Master Settlement Funds and California Tobacco Control Program.
